Description

This modern 1-bedroom apartment offers a practical and comfortable living space, designed for an efficient urban lifestyle. Positioned on the 6th floor of a 7-level building, the property features 51.5 sqm of usable space and 57 sqm of built area.

Secure Access, Urban Comfort and Excellent Connectivity

The semi-detached layout includes one bedroom, one bathroom, an equipped kitchen, air conditioning, dishwasher and essential features for everyday comfort. Heating is provided by an individual central system with underfloor heating, adding comfort and efficiency throughout the colder months.

The apartment also benefits from its own terrace, balcony, lift access and an underground parking space located at level -1. The building was completed in 2021, while the residential complex offers secure access and direct connection to the main boulevard, ensuring easy mobility across the northern part of Bucharest.

The surrounding area provides convenient access to services, shopping options, restaurants, international schools and key points of interest in Iancu Nicolae and Pipera, making it a suitable choice for professionals or couples seeking comfort, functionality and accessibility.
