Description

Class A office space, 948 sqm, located at the 10th floor in Pipera Business Tower.

Panoramic Views, Excellent Access, Modern Facilities

Pipera Business Tower is one of the most recent and tallest buildings to be developed along Dimitrie Pompei Road providing a total leasable office area of 12,425 sqm on ground and 13 upper levels.

The building is designed on a regular square floor plate which extends to approximately 948 sqm on each level and a slightly larger surface of 1,074 sqm on the top, 13th floor. The floor plates allow for flexible and efficient space planning scenarios with a central core and clear open space with natural light provision along all elevations of the building.

The building benefits from modern specifications and design including raised floors, air conditioning, suspended lighting and opening windows amongst other features. Car parking is provided in 2 basement levels as well as surface level spaces directly in front of the building and further spaces are available in the immediate area.

Pipera Business Tower is located in the Pipera City submarket. The area is excellently served by public transportation facilities, including Pipera Metro station just within a short walking distance from the property. The submarket developed at the northern edge of the north to south business artery, provides an easy access to the both airports. Established as a decentralized business district the area

offers plenty of facilities and amenities for the occupiers of the business parks. In the close neighbourhood are available a number of hotel accommodations such as Caro, Crystal, Alexander, Ramada and Still/ Best Western.
