Description

The villa with a useful area of 164 square meters is located in the Gamma Delta Complex, just 300 meters away from Jolie Ville and 400 meters from Cambridge School. With a spacious and functional design, the property offers a welcoming and comfortable living environment.

The interior of the villa has 3 generous bedrooms, each with its own bathroom, ensuring privacy and comfort for all residents. The closed kitchen is equipped and offers a suitable space for cooking. The living room with the dining area is the social center of the house, with abundant natural light and a welcoming atmosphere.

The villa benefits from multiple storage spaces, ensuring efficient organization of personal items and everyday things. The enclosed terrace offers a relaxing place to enjoy the surrounding view at any time of the day. The property also has a garage and 2 parking spaces for the additional comfort of the residents.

The 150 square meter free yard is furnished with a gazebo, providing a perfect space for spending time outdoors and relaxing. The residential complex is secured by security and video surveillance service, both inside the complex and outside the house, ensuring a safe and protected environment for the whole family.
