Description

This 4-bedroom villa in Iancu Nicolae – Pipera represents an excellent lifestyle choice for a family. Renovated in 2025 and offering a usable area of 200sqm, the interior greets you with a spacious 52 m² living room with 3.15 m high ceilings and large windows opening onto a private garden — perfect for family gatherings or quiet evenings. The closed kitchen and dining area open onto a 12 m² terrace, combining comfort and functionality; separate his-and-hers dressing rooms and an en-suite master bathroom provide privacy and comfort for parents, while the two children's bedrooms enjoy their own bathrooms, one with a jacuzzi. A private garden of 100sqm, an outdoor terrace, and 4 parking spaces (including garage) complete the property's practical and organized setup. The villa is part of an exclusive small complex of only 8 houses, ensuring privacy and security, and with a bus stop just 350 m away, mobility is easy even without a car.

Private garden, generous terrace and quick access to nearby services
