Description

Modern four-room family home in Hexagon Pipera residential complex

Hexagon Pipera: easy access to schools, nurseries and public transport

Located within the Hexagon Pipera residential complex in the Radiofar Pipera area, this terraced house was built in 2022 and offers a practical layout, comfortable living spaces and a private garden.

With three bedrooms, two bathrooms, a balcony and two outdoor parking spaces, the property is well suited to families looking for a fully furnished and equipped home in a residential community with controlled access.

Layout and interior space

The house is arranged over two levels, ground floor and first floor, with a usable area of 100 sqm and an estimated built area of 120 sqm.

The interior layout includes:

- A spacious living room for family activities and relaxation
- 3 bedrooms providing individual sleeping areas
- 2 bathrooms for everyday convenience
- 1 fully equipped kitchen
- 1 balcony

The layout supports practical use of the available interior space while offering flexibility for different family needs.

Furniture and equipment

The house is fully furnished and equipped, providing the essential features for comfortable everyday living.

Key features include:

- Furniture throughout the interior
- Fully equipped kitchen with appliances
- Dishwasher
- Individual central heating system
- Air conditioning

These features contribute to a functional and comfortable home throughout the year.

Private garden and parking

The property benefits from a private outdoor area, providing additional space for relaxation and family activities.

The property includes:

- Estimated plot size of 150 sqm
- Estimated building footprint of 100 sqm
- Estimated private outdoor area of 50 sqm
- 2 outdoor parking spaces

The private garden offers an additional area for outdoor enjoyment, complementing the interior living spaces and providing a dedicated outdoor environment for the household.

Hexagon Pipera residential community

The house is part of the Hexagon Pipera residential complex, which features controlled access and facilities suitable for family living.

Community features include:

- Controlled access
- Children's playground
- Residential environment suited to families

These amenities are particularly relevant for households seeking the convenience of a residential complex with facilities for children.

Location and accessibility – Radiofar Pipera

Hexagon Pipera is located in the Radiofar Pipera residential area, in the northern part of the Bucharest metropolitan area.

The location provides access to schools, kindergartens and public transport, offering practical connections for everyday family activities.

Access to educational facilities and public transportation contributes to the convenience of this residential location.

The surrounding area combines the benefits of residential community living with access to essential everyday connections.

A practical home for family living

With three bedrooms, complete furnishings, a private garden and two outdoor parking spaces, this house in Hexagon Pipera provides a comfortable and functional environment for family life.

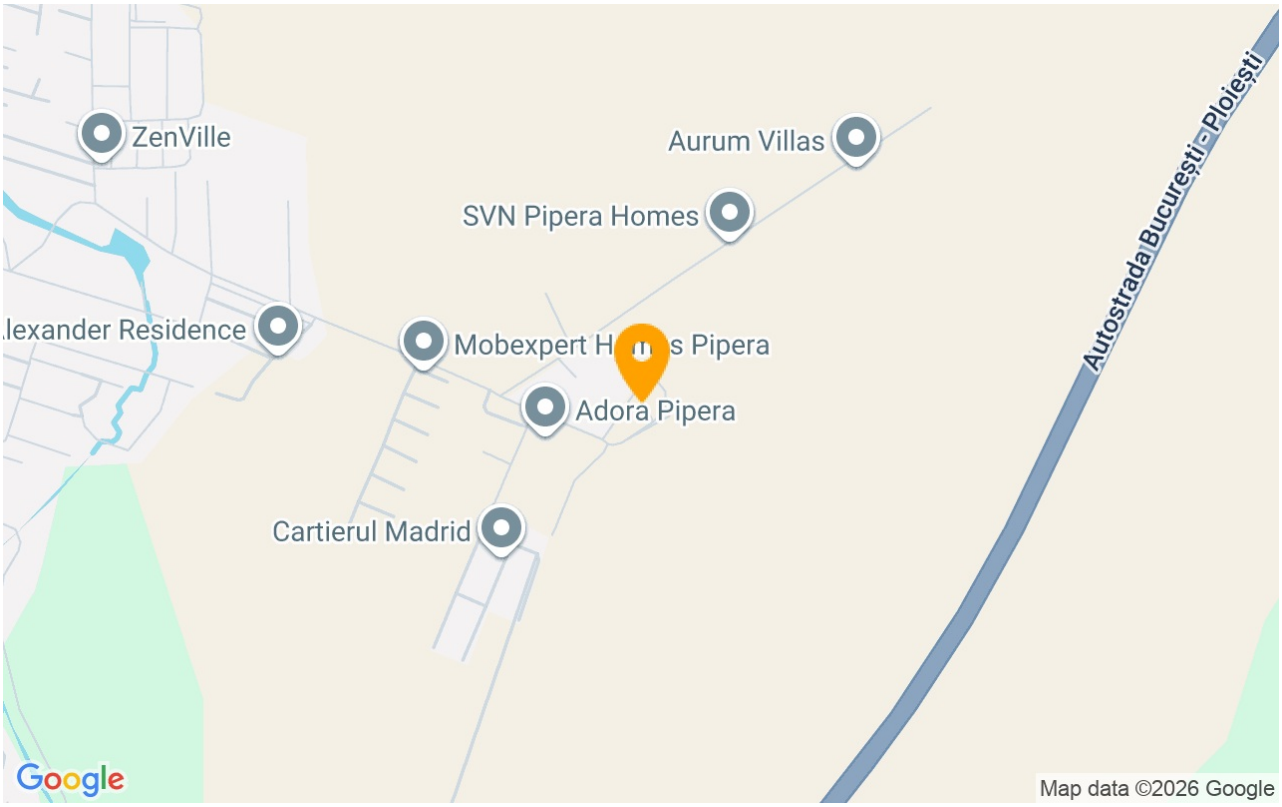

Its 2022 construction, controlled community access and children's playground further complement the property's residential appeal.
