Description

Discover a modern 2 bedroom apartment designed for balanced living, where comfort meets the calm atmosphere of a thoughtfully designed residential building. With approximately 80 sqm usable space and a practical layout, the property offers bright interiors and functional areas suited for everyday living.

Situated in one of Bucharest's the most sought after residential areas

The interior features an equipped kitchen, air conditioning, efficient heating and carefully selected finishes that create a contemporary ambiance. The living area is filled with natural light, while the two bedrooms provide flexibility for families or a dynamic lifestyle. Two bathrooms add extra comfort, and the balcony extends the living space outdoors, perfect for relaxing moments.

The recently completed building includes elevator access, underground parking options and durable construction elements built with modern technologies. The residential concept focuses on privacy and community, enhanced by generous green areas and a limited number of apartments.

Positioned with easy access to key destinations in the northern part of the city, the location balances connectivity with tranquility, making it suitable for those seeking comfort, functionality and a modern living environment.
