Description

Industrial Halls in Târgoviște – Active Industrial Area

Excellent opportunity for production, storage, or logistics operations

We present a set of industrial halls located in Târgoviște, within a dynamic and fully operational industrial zone. These properties are ideal for companies seeking to expand their production or logistics capacity. The halls can be sold individually or as a package, depending on your business needs.

Available Spaces:

- Production/Dispatch Hall – 1,087 sqm
- Production Hall – 2,545 sqm
- Production Hall – 1,329 sqm, equipped with a 100 kW photovoltaic system (energy-efficient, cost-reducing)
- Dispatch Hall – 963 sqm

Features & Benefits:

- New electrical connection permit – 720 KVA
- Easy truck access / TIR-friendly infrastructure
- Strategic location in a well-established industrial hub

These properties offer great potential for manufacturing, warehousing, or distribution activities in one of Romania's traditionally industrial regions, with convenient access to major transport routes.
