### Description

Nestled within a boutique building in the quiet and refined Pipera – Iancu Nicolae area, this spacious 2-bedroom apartment stands out through its smart layout, exceptional brightness, and stunning lake view. Designed for comfort and everyday elegance, the apartment offers a rare opportunity to enjoy a peaceful setting while remaining well connected to everything northern Bucharest has to offer.

### Located In One Of Bucharest's Most Sought After Residential Areas

The property features a generous, fully separated layout, including a bright and airy living area, two private bedrooms, two modern bathrooms, and a well-equipped kitchen. The highlight of the home is a 14-square-meter terrace with unobstructed lake views — the perfect spot for a quiet morning coffee, evening reading, or dining under the open sky. Every room is tastefully furnished, combining practicality with neutral, elegant tones.

Offered fully furnished, the apartment also includes two dedicated parking spaces, a valuable asset in this high-demand area. The boutique nature of the building ensures privacy, a select community, and a calm atmosphere, with fewer neighbors and a more personalized residential experience.

The location is ideal for families, professionals, or expats, with quick access to international schools, shopping centers, restaurants, fitness clubs, and public transportation.
