### Description

Between the peaceful greenery and the gentle pulse of the city, this six-room villa gives you that immediate feeling of “home” from the moment you step inside. Located in one of the most sought-after residential areas – Pipera – it seems designed for those who are looking for more than just a house: those who want a place where each day flows naturally, surrounded by soft light and quiet moments.

### A home where life flows gently

The home radiates freshness and joy: bright rooms, welcoming colors, and an atmosphere that invites relaxation. It's the kind of place where you can easily imagine enjoying your morning coffee on the terrace, looking out into the garden, or spending a calm evening with loved ones in a warm and inviting living room.

Pipera offers that rare balance between urban convenience and residential privacy. Close to excellent schools, shopping areas, and easy routes into the city, yet still surrounded by greenery, clean air, and a sense of community where everyone feels they belong. Here, everyday life unfolds at a gentler pace, without unnecessary noise, but with everything you need close by.

At its heart, this house is more than just a functional space – it is a lived-in home, a place where you can simply be yourself, breathe, slow down, and enjoy the small pleasures: a ray of morning sunlight, a conversation in a quiet corner with a green view, an evening spent together in a space filled with harmony.
