Description

This renovated villa is situated on a quiet street, with low-rise villas and similar architecture, in the vicinity of Pia Bratianu gymnasium.

Relatively high availability of public parking spaces compared to other streets in the Kiseleff Aviatorilor area.

Fully refurbished villa on a quiet street in the area between Kiseleff Boulevard and Docentilor and Clucerului.

The layout is ideal as the villa has 2 separate entrances for the ground floor and first floor, plus a third entrance for the staircase with general access that serves the entire building.

Private yard.

Due to the special location and architecture, the villa is ideal for residential purposes, diplomatic representation or for commercial purposes (consulting company office, medical clinic, lawfirms).

Utilities are metered directly and no maintenance charges apply.
