### **Location**

The property is located in Pipera, on the Ianu Nicolae corridor — one of the most established residential areas in northern Bucharest, consistently chosen by expat families and professionals for its infrastructure quality and proximity to international education institutions. British School of Bucharest, Cambridge School of Bucharest, and Mark Twain International School are all within close reach. Direct access to Soseaua Pipera and the Bucharest Ring Road connects the area efficiently to the city centre and Henri Coanda International Airport.

A property offering 112 sqm usable area, strong technical specifications, and a location that combines residential quality with professional accessibility.

FAQ

### **FAQ**

#### **What is the exact usable area of the apartment according to the cadastral documentation?**

According to the cadastral survey (Apartment No. 5), the usable area is 111.63 sqm usable area, rounded to 112 sqm usable area, and the built area is 134.75 sqm built area, rounded to 135 sqm built area. Full documentation is available for review.

#### **Does the apartment include parking spaces and a storage unit?**

Yes. The property includes 2 parking spaces — one in the indoor parking facility and one in the outdoor parking area — as well as a separate storage unit, providing additional practical capacity for everyday use.

#### **What type of heating does the apartment have?**

The apartment has its own central heating system, providing complete thermal autonomy and independent control over energy consumption, separate from any communal building system.

#### **Which international schools are accessible from this location?**

The Ianu Nicolae / Pipera corridor offers proximity to British School of Bucharest, Cambridge School of Bucharest, and Mark Twain International School — all recognised institutions for expat communities and internationally mobile families.

**Can the apartment be used as office space?**

Yes. The separated-room layout and 112 sqm usable area make this property suitable for professional or mixed use — residential combined with office — as reflected in the property's registered classification.
