Description

Modern 1-bedroom apartment in a 2021 new boutique residential building, of only 4 floors with elevator, just a few steps from the Gradina Icoanei and the metro station of Piata Romana.

Near Gradina Icoanei, Piata Romana and the Old center of Bucharest

The wonderful combination of a modern home in one of the most popular historical areas of the center of Bucharest. Dacia | Gradina Icoanei | Piata Gheorghe Cantacuzino.

Also the Piata Universitate with the Old center of Bucharest is within a 10-15 minutes stroll. The area is full of history, with low rise buildings and a pleasure to just walk the area.

This apartment is on the first floor facing the back of the building with a view towards the Intercontinental Hotel.

Cozy with a smart and logical layout this apartment has a usable surface of 62 sqm. (appx 75 sqm constructed area)

The highlights of this apartments are the high windows letting in a lot of natural light, the superb quality of the finishing, the fully equipped and modern kitchen, the individual central heating system and the underfloor heating. Further each room has an air-conditioning unit and in the basement a

storage room is reserved for this apartment.

This bohemian area of the center of Bucharest with a lot of history, low rise buildings, small streets, cozy parks and many restaurants, terraces, bars and coffeeshops is popular to "openminded and free spirited" people.

The building has in total 8 apartments including the full floor penthouse apartment. The building benefits of an elevator.

Each apartment has a fully equipped kitchen, large windows bringing in lots of natural light, wardrobes, storage area, modern bathroom(s) and an underground storage area. Underfloor heating and cooling by individual air-conditioning units.
